the work explorations in truth the human condition and wholeness is an unconventional gaze into the landscape of our complex inner life exploring inner experiences and testifying to the truth of life s sordid beauty and sacred dread what does it mean to live an authentic life without illusion and accept the complexities of life and death this book has woven together personnel experiences existential philosophy quantum physics jungian psychology and contemplative spirituality into a tapestry of reflections which covers the entire spectrum of the human condition and our collective quest for truth and wholeness included is a brief look into history in a delineation of fate destiny and our longings for joy and wholeness in the context of uncertainty and finitude the author uses modern day bards primarily bob dylan leonard cohen van morrison and bruce cockburn as epigraphs to enhance his philosophy of life that is both distinctive and drastic in nature also included are extensive commentaries on the odyssey and the book of job peering into suffering and evil in a fashion that combines the great western greek and judeo christian traditions finally the power of the feminine is placed firmly back into the psyche of the west which had been neglected for too long in short join me in a great adventurous approach to healing and wholeness amidst the afflictions and anguish of our human condition will barno willbarno gmail com 612 390 0514

in a sweeping review of forty truth commissions priscilla hayner delivers a definitive exploration of the global experience in official truth seeking after widespread atrocities when unspeakable truths was first published in 2001 it quickly became a classic helping to define the field of truth commissions and the broader arena of transitional justice this second edition is fully updated and expanded covering twenty new commissions formed in the last ten years analyzing new trends and offering detailed charts that assess the impact of truth commissions and provide comparative information not previously available placing the increasing number of truth commissions within the broader expansion in transitional justice unspeakable truths surveys key developments and new thinking in reparations international justice healing from trauma and other areas the book challenges many widely held assumptions based on hundreds of interviews and a sweeping review of the literature this book will help to define how these issues are addressed in the future

the writer has often been asked what is your favorite book of the bible the author at times has had a favorite book but has come to the point where every book in the bible seems important and is now a favorite each book has its own peculiarity as its beauty brings out the truth that no other book perhaps would express all sixty six books are needed for study this work is on the gospel according to st john the apostle john is the writer the human author by inspiration of the holy spirit he is also the writer of the epistles i ii and iii john as well as the great apocalypse the book of revelation a total of five great books the gospel of st john has many themes in it that the synoptic gospels do not have

this volume attempts to throw fresh light on two areas of benjamin franklin s intellectual world namely his self fashioning and his political thought it is an odd thing that for all of franklin s voluminous writings a fantastically well documented correspondence over many years scientific treatises that made his name amongst the brightest minds of europe newspaper articles satires and of course his signature on the declaration of independence and the u s constitution and yet scholars debate how to get at his political thought indeed if he had any political philosophy at all it could be argued that he is perhaps the american founder most closely associated with the enlightenment similarly for a man who left so much evidence about his life as a printer bookseller postmaster inventor diplomat politician scientist among other professions one who wrote an autobiography that has become a piece of american national literature and indeed a contribution to world culture the question of who ben franklin continues to engage scholars and those who read about his life his identity seems so stable that we associate it with certain virtues that apply to the way we live our lives time management for example the image of the stable figure of franklin is applied to create a sense of trust in everything from financial institutions to plumbers his constant drive to improve and fashion himself reveal however a man whose identity was not static and fixed but was focused on growth on bettering his understanding of himself and the world he lived in and attempted to influence and improve

part 1 in a monumental six volume set that presents an undeniable case for the revealed authority of god to a generation t forgotten who he is and what he has done
