whitworth university president bill robinson highlights five qualities that characterized the leadership style of jesus conversational in tone and seasoned with real life stories from his own successes and failures as a leader robinson helps christian leaders understand how to emulate the strong yet humble approach to leadership that jesus used to establish his church

with leadership lessons from west point as a guide leaders in the business nonprofit and government sectors can learn leadership techniques and practices from contributors who are teaching or have taught at the u s military academy at west point and have served in positions of leadership that span the globe these military experts cover a broad range of topics that are relevant to any leadership development program in any sector the articles in this important resource offer insight into what leadership means to these experts in both war and peacetime and describe their views on quiet leadership mission values taking care of people organizational learning and leading change

although peter drucker the father of modern management died in 2005 his timeless teachings are studied and practiced by forward thinking managers worldwide his lessons and wisdom on the topic of leadership the central element of management are in constant demand yet he wrote little under that actual subject heading in drucker on leadership william a cohen explores drucker s lost leadership lessons why they are missing what they are why they are important and how to apply them as cohen explains drucker was ambivalent about leadership for much of his career making it clear that leadership was not by itself good or desirable while drucker struggled with the concept of leadership he was well aware that it had a critical impact on the accomplishment of all projects and human endeavors there is no book from drucker specifically dedicated to leadership but a wealth of information about leadership can be found scattered throughout his 40 books and hundreds of articles drucker s teachings about leadership have saved many corporations from failure and helped guide others to outstanding success many of the leadership concepts revealed in this book will surprise and perhaps shock drucker s followers for example who would have thought that peter drucker taught that leadership is a marketing job or that the best leadership lessons for business or any nonprofit organization come from the military written for anyone who values the insights of the man whose name is synonymous with excellence in management drucker on leadership offers a deeper understanding of what makes

an extraordinary leader

the paths that leaders walk significantly influence their success offering differential opportunities and challenges while conventional wisdom suggests that leadership styles and approaches may be equally effective across all situations more recent research demonstrates the importance of employing strategies more specifically aligned with the context this book offers critical insights and strategies currently missing from the repertoire of leaders and their supporters for managing across six distinct paths into leadership positions promoted hired elected appointed founded and family legacy it illustrates lessons drawn from within and across paths presented through themes quotes and stories drawn from interviews with over 60 successful leaders executives politicians entrepreneurs and more while it is evident that these paths differ those who study hire mentor and coach leaders rarely consider the distinctions nor suggest what may be learned across the paths the emerging leaders hr professionals researchers and coaches among the book's readers will learn not only from those who have walked one particular path but also from the experiences of those trekking in other directions most leaders will cross from one path to another over the course of their career some executives interviewed for the book worked their way up the ladder in one company only to be recruited to fill a c suite position in another company others were appointed to high level government positions after stints as elected officials the authors identify major distinctions when moving across the six paths by reading this book leaders and those who support them will develop greater self awareness about each path so they can better leverage and manage their new challenges and opportunities from the first day in their new leadership position

this volume uses the idiosyncrasies of compelling contexts to teach fundamental leadership lessons that are applicable to other settings practitioners and researchers are challenged to deviate from standard models and provided with new ideas for leadership development
